Smart TV features and app availability varies by model / region. Click here to see key features available by model / series.

Samsung's ultra-slim LED TV Series 6000 skillfully combines the benefits of the latest LED technology with the craftsmanship of an artist. The Series 6000 elegantly blends subtle, yet bold, colours with a sculpture-like exterior for a mysteriously unique design. Advanced SMART TV features such as Smart Hub, Search All, and Your Video will take your viewing experience out of the home and online for an entirely new experience. In addition, Samsung's Ultra Clear Panel, 240 Clear Motion Rate, BD Wise and Wide Colour Enhancer Plus, deliver Full HD images that are unbelievably vibrant and razor-sharp.

Movies, shows, apps and more. This Smart TV does it all.

Smart Hub is a portal to all your Smart TV'S features. Start with an array of convenient Apps and services that are continually being added. Search All of those Apps and services for the content you want all while watching live TV. Your Video Recommend examines your viewing habits and begins to recommend similar content you might enjoy.

Full HD 1080p

Experience the natural beauty of reality with Samsung's Full HD LED TVs. With twice the resolution of standard HD TVs, images defy your mind and home entertainment experience. The rich, realistic texture of Full HD images invites you to enjoy a viewing experience unlike anything you've seen before.

Smart Hub

Change what you watch on TV and how you watch it with Samsung's Smart Hub.

HyperReal™ Engine

The driving force behind the amazing colour and realistic images of Samsung's new LED TVs is the innovative HyperReal™ Engine. By

Search All

Find more TV content. Samsung Search All brings you easy ways to locate shows you want to watch – even while you're viewing live TV –

optimizing performance and image enhancement, the Samsung HyperReal™ Engine provides the most vibrant and crystal-clear Full HD images.

Ultra Clear Panel

The Ultra Clear Panel on Samsung LED TV efficiently absorbs external light and effectively eliminates reflection, providing you with real, natural colour and deep, dynamic detail that deliver a clearer, more comfortable viewing experience.

Digital Noise Filter

Watch crystal-clear analog programming as if it was being broadcasted digitally with Samsung's Digital Noise Filter. The filter helps to eliminate some of the digital "noise" that are seen on your screen.

Wide Color Enhancer Plus

See the world's true colours. Samsung's Wide Color Enhancer Plus uses an advanced algorithm to drastically improve image quality – even displaying subtle tones and details that less advanced TVs cannot reproduce.

Anynet

Concentrate your control. Anynet technology enables you to direct all of your HDMICEC-compatible digital devices – whatever their manufacturer – with a single remote control, for a streamlined home-entertainment experience.

and helps series 8, 7 and 6 owners find related content on the web.Watch video>

Your Video

Get more from movies. Samsung's Your Video is a bespoke Video on Demand service, recommending movie clips and TV shows that reflect your individual tastes. Its user ratings and concise synopses help inform your choices. **Video on Demand service is limited to some regions.Watch video>

Allshare

Bring it all together. AllShare wirelessly connects to compatible devices through DLNA technology so the movies, photos and music stored on them can be viewed, listened to and shared on your TV.Watch video>

Connect Share Movie

Tap your digital devices. ConnectShare™ Movie transforms your TV into a home entertainment theater - simply plug in your USB memory drive or connect your hard disk drive to screen the movies, photos and music stored there.

Eco Sensor

Samsung HDTVs are easy on the planet and your eyes. Our unique Eco Sensor measures the intensity of the room's light and automatically calibrates the brightness of the screen's image. In a brightly lit environment, picture brightness grows even brighter and in dim surroundings, brightness is reduced.

Samsung Star Service

Purchase any Samsung television 37” or larger and be eligible for the exclusive Star Service Program. Enjoy the benefits of a Personal Star Service Assistant, 24 - 72 hour home service within Canada, extended online warranty and much more.

A Perfect Fit
